an industrial combine in the North Korean town of Hamhung. This combine is to include a large armament plant, a metallurgical plant, a rolling mill, and a power plant. It will also include a plant for the manufacture of electrical equipment. German contractors such as Bau-Union Rostock partake in this Chinese project, work on which was started in January 1955. Up to the present, only working staffs have been sent to China. At the same time, projects are being worked out for a metallurgical combine to be erected by the GDR in North Korea.

25X1

The present report confirms earlier reports indicating that the GDR will partake to an increasing extent in China's industrialization by furnishing drafts, mechanical equipment, and labor forces. According to the 1955 export plan, 42 percent of the GDR machine tool exports will be delivered to China. During the Leipzig Spring Fair, a contract providing for the delivery of 80 million rubles worth of power plants and two cement plants was signed by representatives of MAI. At the Leipzig VEB Transportanlagen, a complete cableway is under construction which is to be delivered to China. At the Brandenburg VEB Ingenieur Tiefbau, special workers and construction engineers have been recruited for the Korean reconstruction program. The GDR's commitments to China and Korea have led to controversies between the different GDR ministries. The Ministry for the Heavy Industry has declared itself unfit to fulfill the export plans for power plants even if Czechoslovakia lends a helping hand. This opposition of the Ministry for the Heavy Industry against the planned delivery of power plants to China in all the years mentioned in view of the fact that this ministry has not reached its production targets for power plants in any of the years of the 5th Five Year Plan, 1954, this non fulfillment of the production plan for power plants in 1954, 1955, 1956, 1957, 1958, 1959, 1960, 1961, 1962, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, 1974, 1975, 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025, 2026, 2027, 2028, 2029, 2030, 2031, 2032, 2033, 2034, 2035, 2036, 2037, 2038, 2039, 2040, 2041, 2042, 2043, 2044, 2045, 2046, 2047, 2048, 2049, 2050, 2051, 2052, 2053, 2054, 2055, 2056, 2057, 2058, 2059, 2060, 2061, 2062, 2063, 2064, 2065, 2066, 2067, 2068, 2069, 2070, 2071, 2072, 2073, 2074, 2075, 2076, 2077, 2078, 2079, 2080, 2081, 2082, 2083, 2084, 2085, 2086, 2087, 2088, 2089, 2090, 2091, 2092, 2093, 2094, 2095, 2096, 2097, 2098, 2099, 2100, 2101, 2102, 2103, 2104, 2105, 2106, 2107, 2108, 2109, 2110, 2111, 2112, 2113, 2114, 2115, 2116, 2117, 2118, 2119, 2120, 2121, 2122, 2123, 2124, 2125, 2126, 2127, 2128, 2129, 2130, 2131, 2132, 2133, 2134, 2135, 2136, 2137, 2138, 2139, 2140, 2141, 2142, 2143, 2144, 2145, 2146, 2147, 2148, 2149, 2150, 2151, 2152, 2153, 2154, 2155, 2156, 2157, 2158, 2159, 2160, 2161, 2162, 2163, 2164, 2165, 2166, 2167, 2168, 2169, 2170, 2171, 2172, 2173, 2174, 2175, 2176, 2177, 2178, 2179, 2180, 2181, 2182, 2183, 2184, 2185, 2186, 2187, 2188, 2189, 2190, 2191, 2192, 2193, 2194, 2195, 2196, 2197, 2198, 2199, 2200, 2201, 2202, 2203, 2204, 2205, 2206, 2207, 2208, 2209, 2210, 2211, 2212, 2213, 2214, 2215, 2216, 2217, 2218, 2219, 2220, 2221, 2222, 2223, 2224, 2225, 2226, 2227, 2228, 2229, 2230, 2231, 2232, 2233, 2234, 2235, 2236, 2237, 2238, 2239, 2240, 2241, 2242, 2243, 2244, 2245, 2246, 2247, 2248, 2249, 2250, 2251, 2252, 2253, 2254, 2255, 2256, 2257, 2258, 2259, 2260, 2261, 2262, 2263, 2264, 2265, 2266, 2267, 2268, 2269, 2270, 2271, 2272, 2273, 2274, 2275, 2276, 2277, 2278, 2279, 2280, 2281, 2282, 2283, 2284, 2285, 2286, 2287, 2288, 2289, 2290, 2291, 2292, 2293, 2294, 2295, 2296, 2297, 2298, 2299, 2300, 2301, 2302, 2303, 2304, 2305, 2306, 2307, 2308, 2309, 2310, 2311, 2312, 2313, 2314, 2315, 2316, 2317, 2318, 2319, 2320, 2321, 2322, 2323, 2324, 2325, 2326, 2327, 2328, 2329, 2330, 2331, 2332, 2333, 2334, 2335, 2336, 2337, 2338, 2339, 2340, 2341, 2342, 2343, 2344, 2345, 2346, 2347, 2348, 2349, 2350, 2351, 2352, 2353, 2354, 2355, 2356, 2357, 2358, 2359, 2360, 2361, 2362, 2363, 2364, 2365, 2366, 2367, 2368, 2369, 2370, 2371, 2372, 2373, 2374, 2375, 2376, 2377, 2378, 2379, 2380, 2381, 2382, 2383, 2384, 2385, 2386, 2387, 2388, 2389, 2390, 2391, 2392, 2393, 2394, 2395, 2396, 2397, 2398, 2399, 2400, 2401, 2402, 2403, 2404, 2405, 2406, 2407, 2408, 2409, 2410, 2411, 2412, 2413, 2414, 2415, 2416, 2417, 2418, 2419, 2420, 2421, 2422, 2423, 2424, 2425, 2426, 2427, 2428, 2429, 2430, 2431, 2432, 2433, 2434, 2435, 2436, 2437, 2438, 2439, 2440, 2441, 2442, 2443, 2444, 2445, 2446, 2447, 2448, 2449, 2450, 2451, 2452, 2453, 2454, 2455, 2456, 2457, 2458, 2459, 2460, 2461, 2462, 2463, 2464, 2465, 2466, 2467, 2468, 2469, 2470, 2471, 2472, 2473, 2474, 2475, 2476, 2477, 2478, 2479, 2480, 2481, 2482, 2483, 2484, 2485, 2486, 2487, 2488, 2489, 2490, 2491, 2492, 2493, 2494, 2495, 2496, 2497, 2498, 2499, 2500, 2501, 2502, 2503, 2504, 2505, 2506, 2507, 2508, 2509, 2510, 2511, 2512, 2513, 2514, 2515, 2516, 2517, 2518, 2519, 2520, 2521, 2522, 2523, 2524, 2525, 2526, 2527, 2528, 2529, 2530, 2531, 2532, 2533, 2534, 2535, 2536, 2537, 2538, 2539, 2540, 2541, 2542, 2543, 2544, 2545, 2546, 2547, 2548, 2549, 2550, 2551, 2552, 2553, 2554, 2555, 2556, 2557, 2558, 2559, 2560, 2561, 2562, 2563, 2564, 2565, 2566, 2567, 2568, 2569, 2570, 2571, 2572, 2573, 2574, 2575, 2576, 2577, 2578, 2579, 2580, 2581, 2582, 2583, 2584, 2585, 2586, 2587, 2588, 2589, 2590, 2591, 2

25X1

In mid-1954, the GDR received orders to draw up plans for the construction of an industrial combine to be erected in the environs of Peking. This combine is to include a large armament plant, a metallurgical plant, a rolling mill, and a power plant. It will also include a plant for the manufacture of electrical equipment. German contractors such as Bau-Union Rostock partake in this Chinese project, work on which was started in January 1955. Up to the present, only working staffs have been sent to China. At the same time, projects are being worked out for a metallurgical combine to be erected by the GDR in North Korea.

25X1

The present report confirms earlier reports indicating that the GDR will partake to an increasing extent in China's industrialization by furnishing drafts, mechanical equipment, and labor forces. According to the 1955 export plan, 42 percent of the GDR machine tool exports will be delivered to China. During the Leipzig Spring Fair, a contract providing for the delivery of 80 million rubles worth of power plants and two cement plants was signed by representatives of MAI. At the Leipzig VEB Transportanlagen, a complete cableway is under construction which is to be delivered to China. At the Brandenburg VEB Ingenieur Tiefbau, special workers and construction engineers have been recruited for the Korean reconstruction program. The GDR's commitments to China and Korea have led to controversies between the different GDR ministries. The Ministry for the Heavy Industry has declared itself unfit to fulfill the export plans for power plants even if Czechoslovakia lends a helping hand. This opposition of the Ministry for the Heavy Industry against the planned delivery of power plants to China is all the more justified in view of the fact that this ministry has not been in a position to fulfill the targets for power plants in any of the years of the Five Year Plan. In 1953/1954, this non fulfillment of the production plan for generating equipment proved to be the most serious obstacle in the efforts to expand the industrial output.
